“Another Step Forward”

Dear Business Owner,

The Mobile County Training School Alumni Association family is planning to host two special events in the month of November 2023 that embrace our mission and history: The Lantern Walk November 3-5, 2023 and the All MCTS Alumni Reunion, November 24- 25, 2023. We will celebrate and remember the connection of Dr. Booker T. Washington and Mr. Julius Rosenwald to MCTS as we will keep our history alive and raise funds to support our mission.

We know our efforts to promote our mission would go even further with you as one of our major known sponsors. Therefore, we ask you to be a contributor at one of the following sponsorship levels:

Gold: \$1000.00 _____ Silver: \$750.00 _____ Bronze: \$500.00 _____

“The Mobile County Training School Alumni Association, a non-profit, tax-exempt, 501(c)(3) organization, is dedicated to protecting, preserving and promoting the history and achievements of the MCTS family, and its descendants, by documenting and recording, for posterity, the accomplishments and experiences of its family by awarding scholarships and publishing the Alumni experience to encourage others.”

Mobile County Training School (MCTS) has been and continues to be the educational anchor of the Africatown Community having positively touched thousands of lives. The legacy of names that germinated from this institution are many. The founders, who were dedicated and determined to develop this institution, were inspired to meet the challenges and sacrifices they had to overcome to make this school a reality with their limited resources.

It is this sacrifice, dedication, and unconditional love for Mobile County Training School that we, the alumni, must strive to continue. We appreciate your positive response as we recognize and celebrate these important events.

With warm regards,

Anderson Flen
